Coverage options

If you will use your vehicle for commercial use or for plowing snow, there are two options available that ensure your purchase will have long term protection. If your vehicle will be used for service or repair, delivery, agriculture, snowplowing or light-duty contracting, the commercial use and Snowplow options allow Warranty Solutions to extend coverage.²

Maintenance required to keep or transfer your contract

In order to keep your contract in force or transfer your contract, the covered vehicle must be maintained according to the manufacturer's specifications. Proof of maintenance may be required. The performance of normal maintenance services is not covered under your contract.

Prior authorization

Prior to starting repairs, you or the repair facility must contact the Administrator at 800-322-3933. Customers in Florida should call 800-247-9469. If a Mechanical Breakdown occurs outside the Administrator's operating hours, the Administrator must be contacted during the next business day. Failure to obtain authorization prior to repairs may result in non-payment.

Exclusions

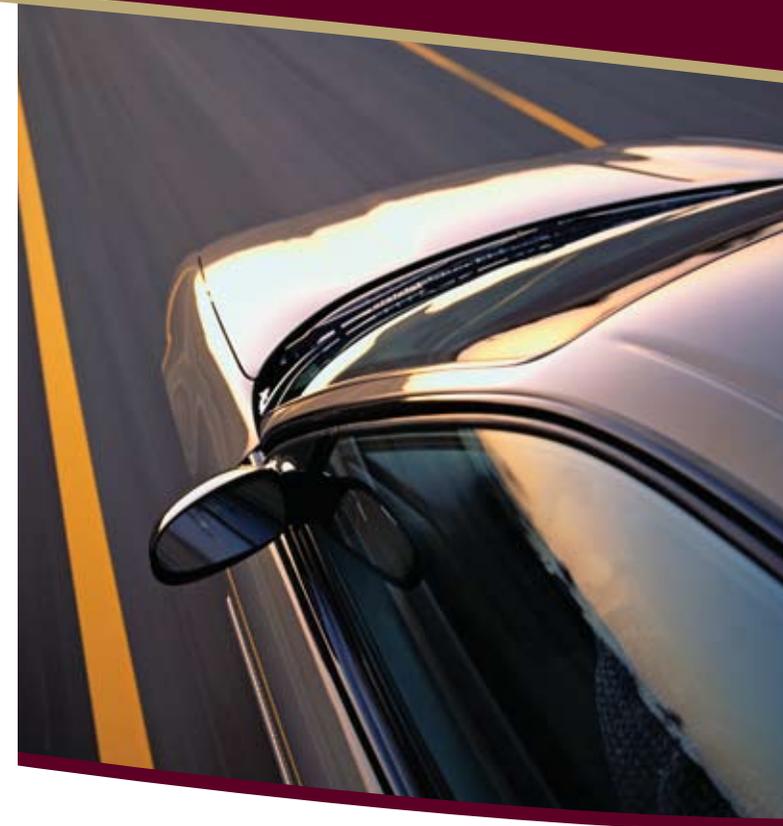

Your contract may not cover or apply to certain conditions. Please refer to the General Contract Exclusions section of your contract.

You can cancel your contract at any time and receive reimbursement for the unused portion.

Vehicle Service Contract

WARRANTY SOLUTIONSSM

Reduce your risk and expand your protection

The manufacturer's Warranty alone may not give you all the coverage or benefits you need.

For instance, the initial months of the manufacturer's extended Powertrain Warranty may not cover towing, trip interruption or car rental. If something goes wrong and you have to use the manufacturer's Warranty, you're likely to need these additional benefits, too.

The 5 Star Wrap Vehicle Service Contract wraps around the manufacturer's Warranty to provide you with the extensive coverage you need. The 5 Star Wrap covers non-Powertrain parts on a manufacturer or manufacturer certified pre-owned (CPO) Powertrain Warranty.

Peace of mind so you can enjoy the drive

The 5 Star Wrap Vehicle Service Contract provides supplementary protection to your manufacturer's Warranty. This coverage provides important and valuable benefits at a cost that could be less than that of a single breakdown.

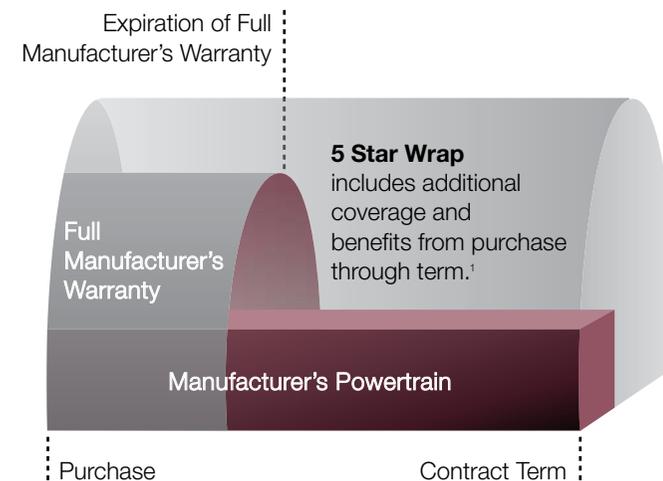

The 5 Star Wrap Contract is available on both new and manufacturer certified pre-owned vehicles.

You choose the deductible level that best suits your needs, including an option to have your deductible waived when you return to your issuing Dealer's repair facility for service. Deductibles apply to each repair visit.

Protection that saves you money

The 5 Star Wrap Program offers affordable protection against costly repairs. Your coverage could cost less than paying for one moderate failure.*

*These costs are for demonstrative purposes only and are anticipated prices after three years based on industry averages.

5 Star Wrap Exclusionary Coverage:

The 5 Star Wrap contract covers ALL factory-installed mechanical and electrical operating parts.² Very little is not covered. Exclusions include but are not limited to³:
